Project Description

3 **Principal's Priority**

Taku Elementary School is requesting grant funding for an additional 8 interactive display devices. These devices may include SMART boards, Promethean boards, interactive projectors, or other interactive display technology as allowed for on the ASD approved technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

Teachers will be able to present multi-media lessons. This project will assist staff and students to meet Anchorage School District's six year plan on technology. This project will create and maintain a learning environment in which all students are actively engaged and contributing members. If not completed, 8 of our classrooms will be two years behind in technology upgrades.
